MEMORANDUM FOR:

Assistant NIO for East Asia and the Pacific

FROM:

Director of Central Intelligence

SUBJECT:

Vietnam Refugees

25X1

I wrote a note on your stimulating memo about the refugees in Vietnam. Since then I have thought that it would also be very helpful if you would come up with a couple of suggestions as to how we might change our policy in this respect. We wouldn't want to put those in a paper but, as you know, I have been invited to present policy suggestions as such from time to time.
